The New Year's Eve Concert Vienna Philharmonic Orchestra

It is possibly the most popular series of concerts in Europe, the New Years Concerts by the Vienna Philharmonic Orchestra. It has long been a Philharmonic tradition at the New Year to present a program consisting of the lively and at the same time nostalgic music from the vast repertoire of the family of Johann Strauss and its contemporaries. These concerts not only delight the audiences in the Musikverein in Vienna, but also enjoy great international popularity through the worldwide television broadcast, which now reaches over 90 countries.

The tickets are drawn by lot, such is the high demand, but we have secured a handful of places for the concert on New Years Eve.
